**Visit the Updated Library Native Garden!  
Boy Scout volunteers made it impressive!!**

Looking to be impressed? We think the new fall look of the Woodland Library Native Plant Garden is worth a visit. Thanks to Boy Scout Troop 33 volunteers, Tyler Becker and Carter Oates, with Mom Leslie Becker and GreenTownners, who aptly weeded and did some cardboard mulching to the garden last week. GreenTown supported this garden as a Girl Scout Gold Award Project a few years ago, along with the City of Los Altos, Cal Water, and a few other local organizations. We appreciate this sustainable garden and hope you will too!
