**Movie, "Tomorrow" Take Concrete Steps To A Sustainable Future.** [Register here.](#) \*TOMORROW\* is not just a film, it is the beginning of a movement seeking to encourage local communities around the world to change the way they live for the sake of our planet. Start small to grow big, and write a new story for the generations to come.

3/7 | 10AM to noon | Heritage Oaks Park, Los Altos

### **World Water Monitoring Challenge.**

GreenTown is partnering with [GrassRoots Ecology](#) for an opportunity to learn about your watershed and how to protect creek habitat. A great opportunity for young families, scouts, and community members curious about their local creek. Register [here](#).

3/12 | 8:30AM-4PM - Mountain View Community Center

### **Green Streets for Sustainable Communities**

The goal? To promote a vision and implementation of a no net impact on the environment approach to urban development. Topics include transportation, green stormwater management, community planning and urban ecology. [Sign up here.](#)

## **BYO Reusable:**

### **Doing A Little, Saves A Lot!**

#### **Monthly Challenge: BYO Reusables**

Try this to meet your sustainability goals! Bring your reusables (coffee cup, water bottle, straw, utensils) wherever you go this month. If you don't remember, then skip that coffee, don't get that bottled water, don't take out the "takeout." That way you'll be reducing your plastic waste and doing your part for the planet. Let us know if you're in or if you already do all that by emailing us [here](#).

## **Carbon Bootcamp:**

### **Honey, I Shrunk My Carbon Footprint!**

Carbon Bootcamp encouraged small life changes to help our eager community members to meet their sustainability goals. Find out how by [checking out this article](#).

## Eliminating Single Plastic Use It Just Got Easier!

Several bills in the California legislature are targeting eliminating single use plastic. The "Bring Your Own" Bill (AB619)

**Summary:** Have you ever thought "Wouldn't it be nice to bring my own container for leftovers or for purchasing food at the supermarket?" Well the California legislature heard you! AB619, the "Bring Your Own" bill is here. Read about what that means [here](#). **Want to do more?** The California legislature will consider a law that requires a 75% reduction in single-use packaging by 2030! Let your representatives know that this is important to you. Read more [here](#).
